KINGDOM TRANSFORMATION

Dear Kingdom Family,

The year 2023 has been designated as the year of Kingdom Transformation. The Bible reminds us in Romans 12 that we are not to conform to this world but we should be transformed by renewing our minds.

Over 40 years ago a group of young visionaries banded together around a vision led by Dr. Myles Munroe. That vision of *“Transforming Followers into Leaders and Leaders into Agents of Change”* has stood the test of time and overcome the odds to create global transformation model that continues.

We are so happy that you have joined us and we trust that your experience will be or has been rewarding and uplifting. Bahamas Faith Ministries is a global church with a global vision emphasizing *“Transforming Followers into Leaders and Leaders into Agents of Change”* as was stated by our late founder and first Senior Pastor Dr. Myles E. Munroe. We are also a church that puts the primary message that Jesus preached as the center of our mission, the establishment of his Kingdom on earth through his church.

We have many services, events and products for visitors, members and regular attenders worldwide. You will find in this package a listing of our services and options available to stay in touch with us wherever you may be in the world. These include our website, social media links, our Live and 24hr Internet television network and the BFMI app which puts you in touch with us at your fingertips.

Feel free to contact us and let us know how we can serve you better and if there is anything we can do to uplift your life, whether it is through prayer, electronic communications or anything else within our power to serve you. We look forward to keeping in touch as friends and partners. We pray that you will not only have a blessed day but a blessed life. We speak Blessings and Favor to you and yours.

Sincerely,

Dr. Dave and Angela Burrows
Senior Pastors

Dear Distinguished Kingdom Citizens,

Every year on a personal level we make promises or resolutions. We promise to change our way of life so that we can be a better version of ourselves. Lose weight, complete our education, get married, change our job or just simply become a better employee, manager, kingdom citizen, friend, husband, wife or child.

In addition each year it seems like our proverbial list gets either longer or shorter depending on how successful or resolute we were in sticking to and achieving our established prior year goals. Nevertheless, no matter how successful or the lack thereof—It seems inherent for all humans to want to do better: to grow, to develop and to become that person we envision we can or should be.

Ultimately, there is always some aspect of our lives that we can improve on, fix or remove altogether.

To realize a changed or transformed life, BFMI theme for 2023 is: “Kingdom Transformation.”

Merriam-Webster dictionary defines “Transformation” as an act, process, or instance of transforming or being transformed.

We believe it is God’s desire to transform all believers through a process of conversion into the person He intends them to be.

Romans 12:2 states how each individual can be changed or transformed: “Do not conform to the pattern of this world, but be transformed by the renewing of your mind. Then you will be able to test and approve what God’s will is—his good, pleasing and perfect will.”

This scripture proposes that every citizen of the kingdom of God can be transformed or changed by the renewal of their minds which enables them to no longer conform to the pattern of this world. This method of change is a progressive conversion from a carnal, sensual or earthly natured person into the divine nature of God.

It is our hope and desire in 2023, to see every member of BFMI reflect a transformed lifestyle that leads to an expansion of the kingdom of God here on earth.

Have a Blessed New Year filled with ‘Kingdom Transformation’ and ‘Kingdom Expansion’!

*Kersch and Suzette Darville,
Fellowship Pastors*

FBI BIBLE STUDY

"It is the glory of the Lord to conceal and the honor of Kings to search out the matter." Proverbs 25:2

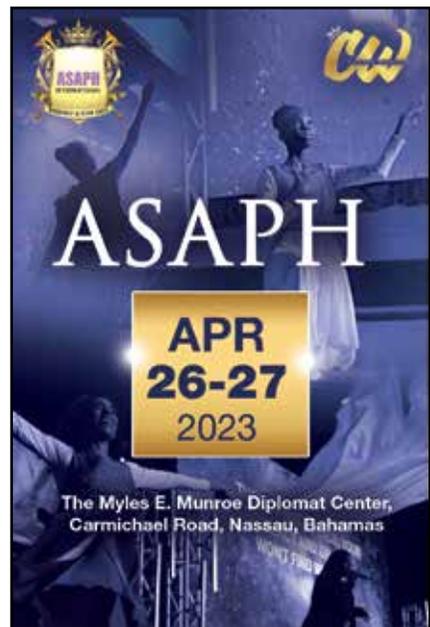

Beginning February 2023 bible study sessions (FBI) will resume on the first and third Friday of each month. This interactive Bible study led by Pastors Henry and Sheila Francis is designed to promote independent study and to facilitate the discipleship process for every participant.

Over the years we have covered The Lordship of Jesus, Covenants, Healing School and Kingdom Government.

We shall continue to offer our sessions with a view towards combined in person and zoom meetings.

Strategic encounters of Jesus is one of the topics we plan to cover this year, but as in the past we will lean on the directions that the Lord provide during the year. It is this feature of our operations that has made our experiences so exciting.

We commit to building and expanding our mission of serving the personal and social development needs of those who desire to learn and grow. We will continue to transform and develop agents of change around the world by blazing new paths and creating opportunities for people to advance in their personal and spiritual lives using The Kingdom principles as our foundation. We ask you to continue to support us in our efforts as you have been doing all these years.
